Ma'abarot in Jerusalem Hills Need All-Weather Roads

Jerusalem Post Reporter

Reserves of food in the Jerusalem area ma'dbarot, which had almost been exhausted as a result of week-end storms.

Most of the ma'sbaret had only enough food for one or two more days when the first shipments of bread arrived yesterday. Part of the reserve flour stock had been distributed on Sunday as no trucks were able to get through some of the flooded tracks

It was noted by officials dealing with the problem that if the rains had continued for aeveral days — as is not unusual for this time of year — musual for this time of year — musual for the ma'sbaret would have been completely without food by the end of the week.

No Storage Space Although storage buildings for food stocks were supposed to have been constructed, few

BAN ON GERMAN

English View

Mrs. R. Hellman of Haifa puts forward the English point of view on the German language: "In England, as I learnt recently, German songs were performed at public concerts during the last war."

S. Wasserman of Tel Aviv feels that if the censors object to the German language they must logically be opposed to the playing of all German music... Can it be finagined that music should substantially express other feelings than words?

"Culture is a force made up

"Culture is a force made up controller's Reply

"Culture is a force made up of universal elements expressed, inter alia through any art medium. The word of the poet and the prophet alike is the carrier of a spiritual message,... who places a ban on the word of one nation's artists denies the spiritual force impelling the works of artists of other nations..."

Controller's Reply

"Culture is a force made up of universal elements expressed, inter alia through any art medium. The word of the poet and the prophet alike is the carrier of a spiritual message,... who places a ban on the word of one nation's artists denies the spiritual force impelling the works of artists of other nations..."

In sarcastic vein Dr. Fred Wulf of Haifa says: "I am im-

Cohen, of Jerusalem, who writes:

When after the war of 1879/The French were filled with a mortal earnity against Germany they enined the famous saying: All the second of the famous saying: All the famous saying and the famous saying sa
